0
-10
-20
2016-2018
2018-2021
2021-2023
Weighting: E2 − E1 (same people, G)
Weighting: E4 − E3 (same people, P)
Weight variable: E4 − E5 (same people, P)
Selection, unweighted: E3 − E1
Selection, unweighted: E3 − E6 (balanced panel vs rest of G)
Selection under total weights: E5 − E2
